

VANE RUJKOV

WEB DEVELOPER & DESIGNER

mail: vane.rujkov@gmail.com | web: vezilka.dev | git: github.com/vezilka

PROFILE

With nearly 20 years of experience as a web developer, I specialized at the intersection of development and design. I have contributed to remote projects, consulted with a variety of organizations, and collaborated with diverse talents to create digital and print solutions for both business and consumer audiences. My journey in this ever-evolving field is characterized by quiet confidence, a natural curiosity, and an unwavering commitment to refining my skills, with change as my constant companion.

RELEVANT EXPERIENCE

Web Developer & IT consultant @ NDC Skopje

March 2006 – Nov 2023 // Skopje, North Macedonia

- › Develop and publish highly interactive web and mobile applications with a scalable backend.
- › Build and integrate WordPress websites tailored to the specific needs of the organization.
- › Administer and maintain multiple server and software service instances.
- › Design various publications for print to be used in the field of education.

Web Developer @ Dymatrix Consulting GmbH

Feb 2014 – Aug 2017 // Hamburg, Germany

- › Prototyped the client's idea and iterated with fellow engineers on crafting a bespoke user experience on the web.
- › Worked with a variety of different platforms and frameworks such as JavaScript, PHP, HTML, and CSS3 to build the website.
- › Communicated with multi-disciplinary teams of engineers, testers, legal, and clients on a daily basis focused on customer feedback.

Web Developer @ Nansen Center for Peace and Dialogue

Jan 2014 – Jan 2015 // Lillehammer, Norway

- › Redesigned the website while maintaining security and ensuring optimal performance and reliability.
- › Maintained the same Google Page Rank after the update.
- › Interfaced with office representatives on a monthly basis, providing technical support and software training.

Web Developer @ Nansen Dialogue Network

Nov 2010 – Mar 2013 // Lillehammer, Norway

- › Wrote modern, performant, and maintainable code for an array of international offices in the Balkans and their internal projects.
- › Helped define and solidify the brand direction for NDN, the organization's online presence, and marketing.
- › Interfaced with organizations on a monthly basis, providing technological expertise and software training for the staff.

Community Mentor @ NDC Skopje

Mar 2006 – May 2008 // Skopje, North Macedonia

- › Assisted and mentored elementary school students on Basic and Advanced courses in Information Technology.
- › Worked closely with other facilitators to organize physical meetups, facilitate workshops, develop, document, and deliver the workshop content.

Educator in IT courses @ Gimex

Sep 2005 – Feb 2006 // Tetovo, North Macedonia

- › Organized and facilitated workshops in a variety of IT areas for course members to develop their skills and knowledge in specific tools and technologies.
- › Presented a platform for active members to showcase their solutions in production environments, thus gaining practical experience and inspiring more members to enroll, learn, and apply their technical skills.
